## **OPTION DESCRIPTIONS**

### **Childhood Photos Reflections Montage to Music Option A**

Computer digital special effects accompanied by music are used to showcase your treasured photo memories. This option will melt hearts so have a box of kleenex tissue nearby. USA Weddings has wonderful computer technology to enhance your wedding program. Specific picture submission directions and instructions will be sent to you along with your contract confirmation .

### **Honeymoon Pictures to Music Option B**

Your beautiful honeymoon will happen only once s be sure to take lots of great pictures to use at the end of your wedding video to show everyone your cruise, beach hotel, and places you went and things you did. Specific picture submission directions and instructions will be sent to you along with your contract confirmation.

### **T.R. Laz Exclusive Coverage for Video Taping Option C**

This option guarantees that your event will be personally video taped by local leading wedding videographer T.R. Laz. There is very limited availability for this option. T. R. Laz has recorded over 2500 weddings with over 30 years of dependable wedding experience.

### **Wedding Highlight Re-Cap to Music Option D**

The re-cap is a combination of pictures you would like to use at the end of the video. From the rehearsal, to prep, to the ceremony, to the reception, etc. Personal photos are suggested. If you use pictures from your Professional Photographer, we need written permission from their studio. Specific picture submission directions and instructions will be sent to you along with your contract confirmation.

### **Brides Preparation Location Option E**

Light, fun, informal coverage of bridal party activities, interaction, conversations, last minute details. Coverage starts 2 hours before the ceremony start time. Prep location must be within five miles of the ceremony location. One extra hour is added to the contract time.

### **TV-DVD Baby Pictures Video Display at the Reception Option H**

This option has been a huge hit. We edit Option A, (your Growing Up and Dating Pictures), onto a special tape that plays continuously at the reception, on the present table, after dinner. This is a favorite among family, friends, and guests .

### **Second Camera Ceremony Option X**

We use a stationary second video camera placed for either a long shot, a cover shot, or, a reverse angle of the ceremony.

### **Wireless Mic for Ceremony Vows Option Y**

A small wireless mic is hidden under the groom's boutonniere so that the vow and ring exchange can be recorded on to the video.

### **Full Computer Storybook Bridal Titling Option Z**

This is an extensive storybook listing of all bridal party and participants, locations, details, etc. super-imposed over a live action sea shore or clouds background. The information is similar to what is in the ceremony program & the appearance is similar to movie credits
